

St. Mary—Our Lady of the Isle

P.O. Box 1168 6 Orange St.
Nantucket MA 02554-1168

March 23, 2020

Dear Friends in Christ,

I hope this note finds you well and staying healthy. During this unsettling time in which most bishops have cancelled all public Masses and devotions, I am sorry to say that we are now keeping our St. Mary's Church doors locked.

Given the fact that the Coronavirus can live on surfaces for days, this measure is for the safety of all who would be stopping in for prayer during the course of each day. Even if you are one of the many people who has a key to the Church, I urge you NOT go inside. As a Faith Community, we must do all we can to prohibit the spread this disease.

Please join us via Live Stream for any scheduled Church services and activities. This is a good way to stay connected with the Lord, and with one another. Hopefully, we will soon be able to pray together again in our beautiful St. Mary's Church.

Peace,

Fr. John Kelleher
