From The Office of Safe Environment

Good communication and trust between parents and children are some of the strongest tools available to keep children safe from all kinds of harm. Make sure your child knows it's safe to talk to you about any topic, and then make the time to follow through. Actually being there for your child can result in the prevention of abuse.

Dear Friends,
Happy New Year! May 2022 be a blessing for all of us! As we are still in the midst of the Season of Christmas please allow me to take this opportunity to thank you all for all your kindness and generosity at

Christmas. On behalf of Fr. Carlos, our parish staff and myself, thank you for your generous gifts, well wishes and just being together in this Christmas Season. My First Christmas with you has been more than memorable!

Thank you also to those who spent so much time in making sure our church looked and sounded beautiful for Christmas! We Catholics are an incarnational people so the sights and sounds of our church are so very important.

May God bless you and your families through the rest of the Christmas Season and through the new year!
